

## ELECTRIC FORKLIFT

### Electric 3 wheel 1.0 - 2.0 ton.8FBE10-20

Wide Operation Range, The 8FBE Series Becomes a New Standard for Compact Forklifts.

The compact body and turning performance all add up to superior operability in narrow worksites.

This, together with great stability, makes for powerful support for material handling in a diverse range of applications.

Model	Load Capacity	Load Center	Overall Width	Turning Radius (Outside)	Overhead Guard Height	Length to Fork Face
	kg	mm	mm	mm	mm	mm
8FBE10	1000	500	1075	1385	1980	1750
8FBE13	1250	500	1075	1400	1980	1755
8FBE15	1500	500	1075	1515	1980	1875
8FBE18	1750	500	1075	1550	1980	1905
8FBE20	2000	500	1075	1675	1980	2045
